

## **record uk welcomes James White - our New Specification Manager**

News

3/16/2021

James will work closely with architects, specifiers and contractors based in London and the South, offering design, technical and specification advice to ensure the right products are chosen from conception, so they are compliant with the latest standards and most importantly, meet the customer's requirements and expectations.

James commented: "I'm delighted to join record uk and look forward to helping strengthen the specification process, build strong relationships with all specifiers and provide them with the information and support they require to take the hassle out of specifying automated doors".

If you require any specification advice on new or existing projects or help with NBS or BIM on specific projects you are currently working on then please call James on 07712 774249 or email [james.white@recorduk.co.uk](mailto:james.white@recorduk.co.uk)
